

Greater Augusta Utility District JOB POSTING

GIS COORDINATOR

The Greater Augusta Utility District is accepting applications for the position of Geographic Information System (GIS) Coordinator. The GIS Coordinator will perform advanced technical services work in operating and training other personnel to operate the Geographic Information System, will assist with pipe network analysis, and will develop, maintain, validate, and update the GIS database.

Candidates should have experience working with GIS systems and possess knowledge of resource analysis and sources of mapped and tabular data.

Familiarity with ESRI mapping software including ArcGIS Desktop, ArcGIS Server, and ArcSDE, and database management systems, preferably Microsoft SQL Server, is desired. Previous experience with water and sewer systems is a plus. Must have the ability to communicate effectively orally and in writing, and work effectively and accurately with minimal supervision and direction.

Position requires a six (6) year combination of education, training, and/or experience directly related to the operation, development, and/or maintenance of GIS systems.

Pay scale is non-union Range 4, \$16.40 to 19.11 per hour. The Greater Augusta Utility District offers a comprehensive benefit package including competitive retirement plans, family medical/dental insurance and generous leave benefits.

To apply, please submit a cover letter and resume to Human Resources, 16 Cony Street, Augusta, ME 04330 or HR@augustamaine.gov no later than **Wednesday, July 31, 2013**

We are proud to be an Equal Opportunity / Affirmative Action Employer
