

GIS INTERNSHIPS IN THE NATIONAL PARKS SERVICE

Fall Cohort Applications Open!

Internships begin 10-10-21, end dates vary; \$15-\$22/hour. Housing available at most sites. Remote telework also an option.

Gain real-world experience as a GIS Intern with the National Park Service! Interns, with advanced GIS skills, will serve in parks across the west and contribute to mission-critical GIS work. Interns will be trained and mentored through the Intermountain Region's Geographic Resources Division. Internships are available in AZ, MO, UT, NM, CO, TX, ME, VA, PA, CA, NE, AK, and remotely. 29 internships available!
