Where does the BEAR / Form 472 fall in the E-Rate process?

The Basics

What is the FCC Form 472 (BEAR)?

- An indication of monies paid in full for eligible products and services for which an FCDL has been awarded
- A request for reimbursement of the discount portion of the amount paid by the applicant

When can I file a BEAR?

A BEAR cannot be filed until:

- A Funding Commitment Decision Letter (FCDL) with a positive commitment has been received
- A Form 486 has been filed and processed (indicating services have started)
- The service provider has filed an FCC Form 473, Service Provider Annual Certification (SPAC) Form for the associated funding year and SPIN
- The service provider has billed the applicant for the entire cost of services for the period for which reimbursement is being sought (e.g. the monthly invoice for MRC costs or the one-time invoice for NRC costs)
- The services have been delivered
- The applicant has paid for those services in full
- A Form 498 has been filed and processed (providing direct deposit information for reimbursements)

What is the deadline for BEARs?

BEARs must be certified no later than 120 days after the last day services are received (typically this is October 28 following the end of the funding year)

or

120 days after the date of the FCC Form 486 Notification Letter, whichever is later

The exception to the above is if there are post-commitment changes, in which case the deadline is no later than 120 days after the latest of the following:

- Date of an approved post-commitment Revised Funding Commitment Decision Letter
- Date of an approved appeal Revised Funding Commitment Decision Letter on a previously denied or reduced funding request

Where do I file a BEAR?

There is no longer a separate BEAR system with a separate access point from the One Portal platform.

Instead, you will file BEARs by accessing the Billed Entity's profile within the EPC Portal just as you do for other program forms.

Invoicing permissions for applicants are based on user access rights specified in EPC by the Account Administrator.

How many separate forms do I file?

Your choice!

- You may choose to split up or combine your BEAR filings however you choose
- You can include multiple Forms 471s and FRNs on the same BEAR

Potential examples:

- file a separate BEAR form for each FRN for each service period (monthly, quarterly, etc) or the entire funding year
- include all the FRNs from the same Form 471 on one BEAR
- include all FRNs that are eligible for invoicing on the same BEAR form

Managing BEAR Permissions

→ DO THIS FIRST 1←

The Account Administrator should review and assign BEAR permissions before users attempt to create a BEAR.

Once this step has initially been completed, it does not need to be repeated unless new users are added to the entity profile or the AA wishes to modify permissions.

For existing EPC users with BEAR credentials for the legacy system

These users may have automatically been assigned permissions to create and certify BEARs in the new EPC E-Rate Invoicing Dashboard.

Newly created users did not automatically receive both legacy and EPC BEAR permissions.

The Account Administrator should verify that these permissions are as desired before any current users attempt to create BEARs and adjust the permissions if necessary.

For those users who were not automatically assigned BEAR permissions

AND

For those users who should be assigned different permissions (partial vs full)

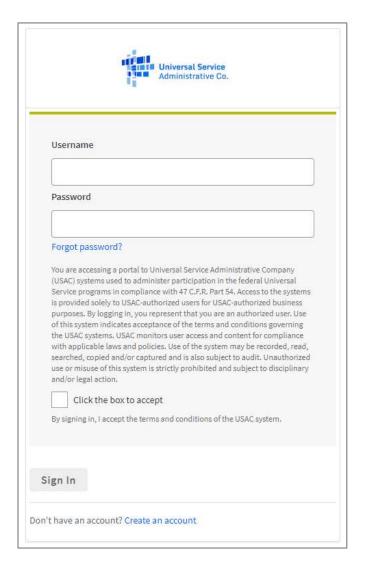

AND For any new EPC users

Permission to create and/or certify a BEAR must be explicitly selected by the Account Administrator. The Account Administrator must complete this step before a BEAR can be created by users that fall in any of the above circumstances.

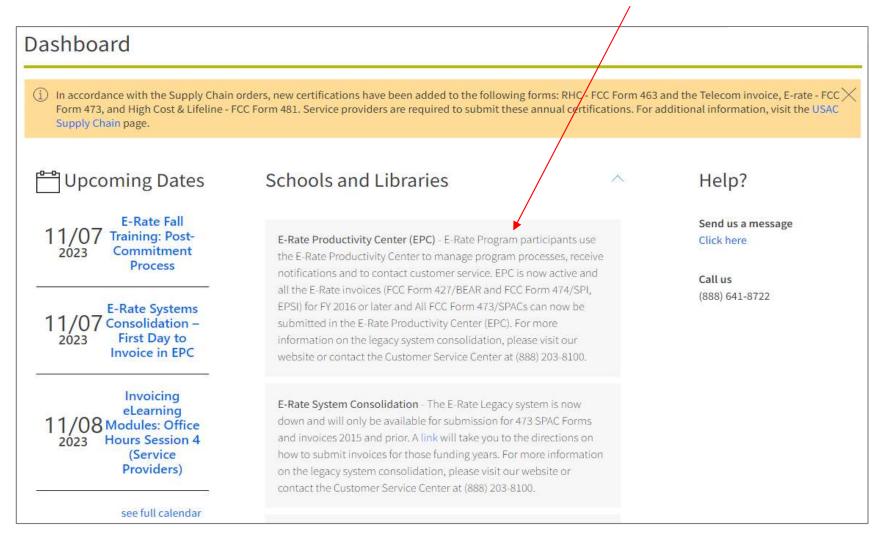

The Account Administrator completes the following steps:

- 1 First, navigate to https://forms.universalservice.org/portal
- 2 Log into One Portal with your username (your full email address) and One Portal password

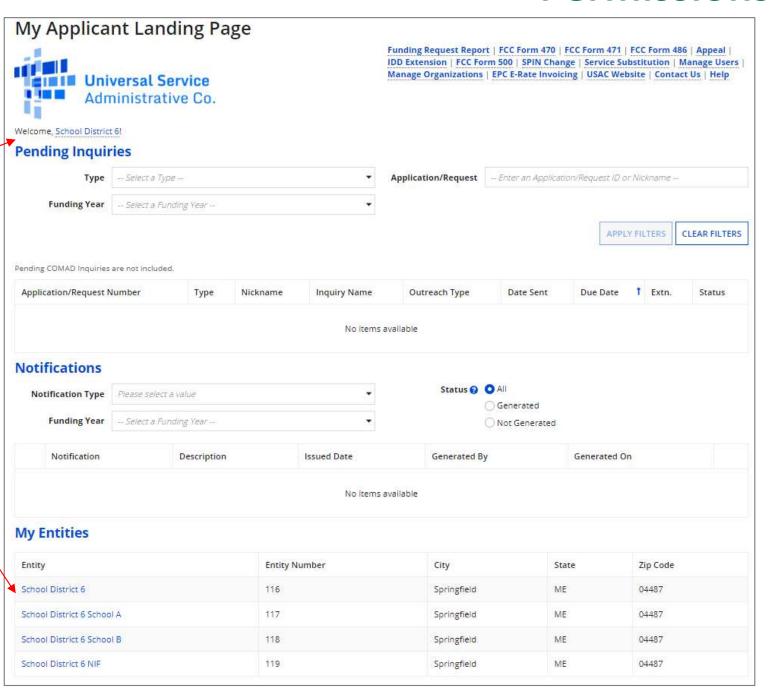

- 3 Complete the steps as prompted to obtain and enter a one-time verification code
- 4 Once you have successfully logged into One Portal and are viewing its dashboard, access EPC by clicking on the gray block for "E-rate Productivity Center (EPC)"

5 On the EPC
Landing Page, click on the link for the organization (either in the "Welcome" line or scroll to the "My Entities" section")

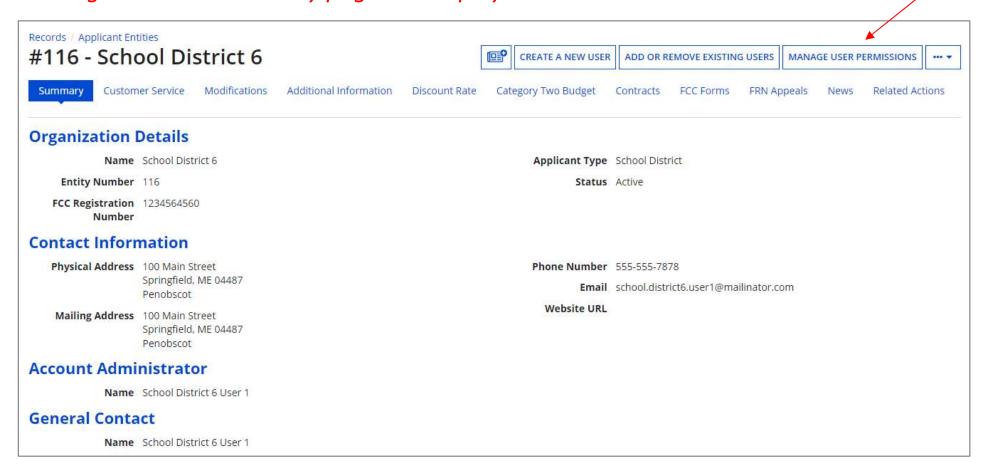

In most cases this will be the school district unless the organization is listed in EPC as an independent school

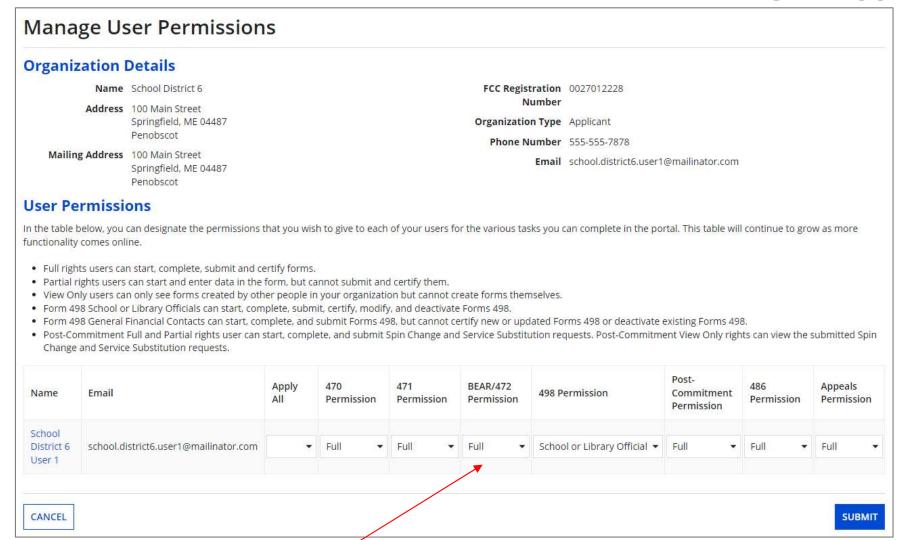

6 Click on the "MANAGE USER PERMISSIONS" button

The organization's summary page will display

- 7 Select the BEAR/472 permissions you want to specify for each user
 - Full rights users can create, edit, and certify invoices and can respond to outreach
 - Partial rights users can create and edit invoices, but cannot certify them
 Partial rights users can view outreach but cannot respond to it
 - View Only users can see invoices and outreach, but cannot create or edit or respond

User Permissions for Invoices (BEARs):

	View Invoices	Create Invoices	Certify Invoices	View Outreach	Respond to Outreach		
# Full	✓	✓	/	✓			
★ Partial	✓	~		/			
View Only	✓			✓			

NOTE: Since only full rights users can respond to outreach, it is STRONGLY recommended that you set the permissions as full rights for whoever will function as the main BEAR contact—they will not be able to respond to inquiries if they are only granted partial rights

User Permissions

In the table below, you can designate the permissions that you wish to give to each of your users for the various tasks you can complete in the portal. This table will continue to grow as more functionality comes online.

- · Full rights users can start, complete, submit and certify forms.
- · Partial rights users can start and enter data in the form, but cannot submit and certify them.
- · View Only users can only see forms created by other people in your organization but cannot create forms themselves.
- · Form 498 School or Library Officials can start, complete, submit, certify, modify, and deactivate Forms 498.
- Form 498 General Financial Contacts can start, complete, and submit Forms 498, but cannot certify new or updated Forms 498 or deactivate existing Forms 498.
- Post-Commitment Full and Partial rights user can start, complete, and submit Spin Change and Service Substitution requests. Post-Commitment View Only rights can view the submitted Spin Change and Service Substitution requests.

8 Click on the "SUBMIT" button to apply the specified permissions

Once you have set the permissions for the users in your organization's profile, you will not need to repeat this process unless new users are added to the entity profile or you wish to modify existing permissions.

Filing a BEAR Form

Once permissions have been granted, any user assigned creation and/or certification rights can create a BEAR.

Before you begin:

- Ensure you have the accurate
 FCC Form 471 and locate your:
 - ✓ FRN
 - Discount Rate
 - ✓ Approved Services/Equipment
 - ✓ Approved Cost and Quantities
- ✓ Locate the approved Recipients of Service (ROS) for the FRN

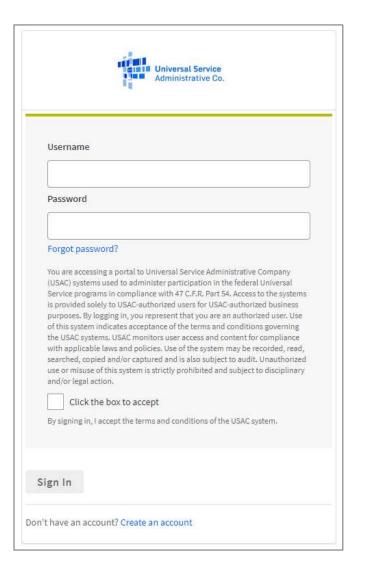

- 2 CALCULATE Invoice Amount
- Invoiced amount must be actual charges
- Calculate total undiscounted amount for each line
- Remove ineligible items

- Establish a process to track/ identify each invoice
- Retain your supporting documentation for 10 years

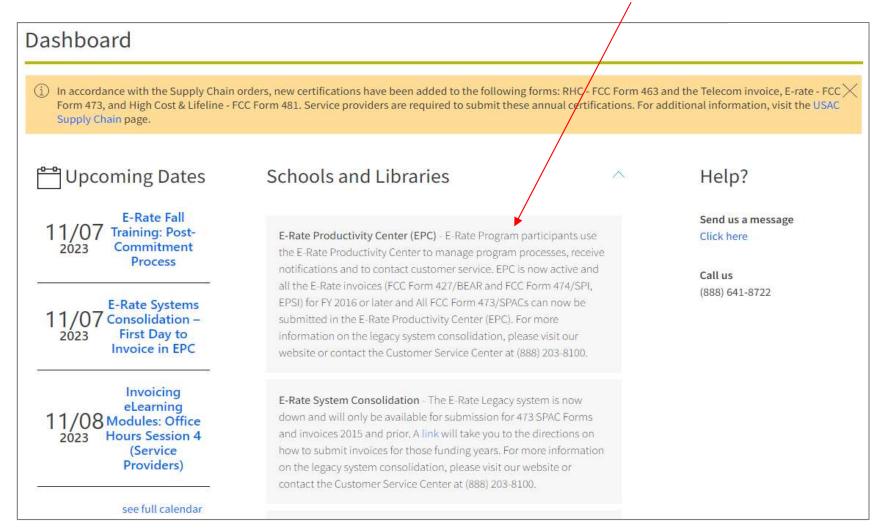

- 1 First, navigate to https://forms.universalservice.org/portal
- 2 Log into One Portal with your username (your full email address) and One Portal password

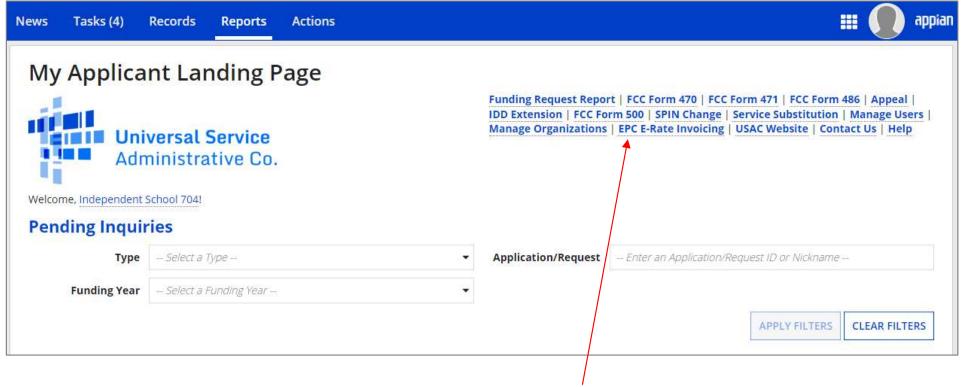

- 3 Complete the steps as prompted to obtain and enter a one-time verification code
- 4 Once you have successfully logged into One Portal and are viewing its dashboard, access EPC by clicking on the gray block for "E-rate Productivity Center (EPC)"

Your EPC Landing Page will display

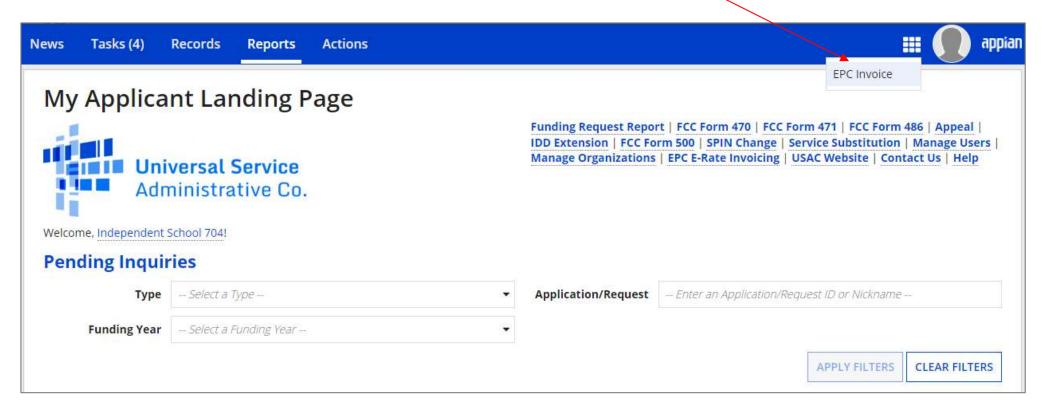

5 Select the "EPC E-Rate Invoicing" link to enter the EPC E-Rate Invoicing Dashboard (it will open in its own tab or browser window)

NOTE: You will only have access to the quick link if you have been given invoicing permissions

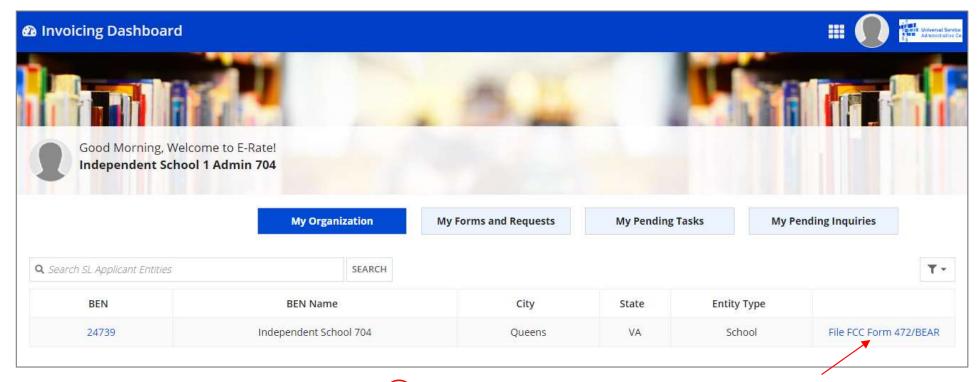

NOTE: You can also access the EPC E-Rate Invoicing Dashboard by clicking on the grid of squares (or "waffle") located next to your profile picture in the righthand corner of the blue navigation bar, and then selecting "EPC Invoice" from the sub menu

The EPC E-Rate Invoicing Dashboard opens to the "My Organization" tab and provides a table listing the BENs with which you are associated

(6) Click on the "File FCC Form 472 / BEAR" link in the table to begin a new BEAR

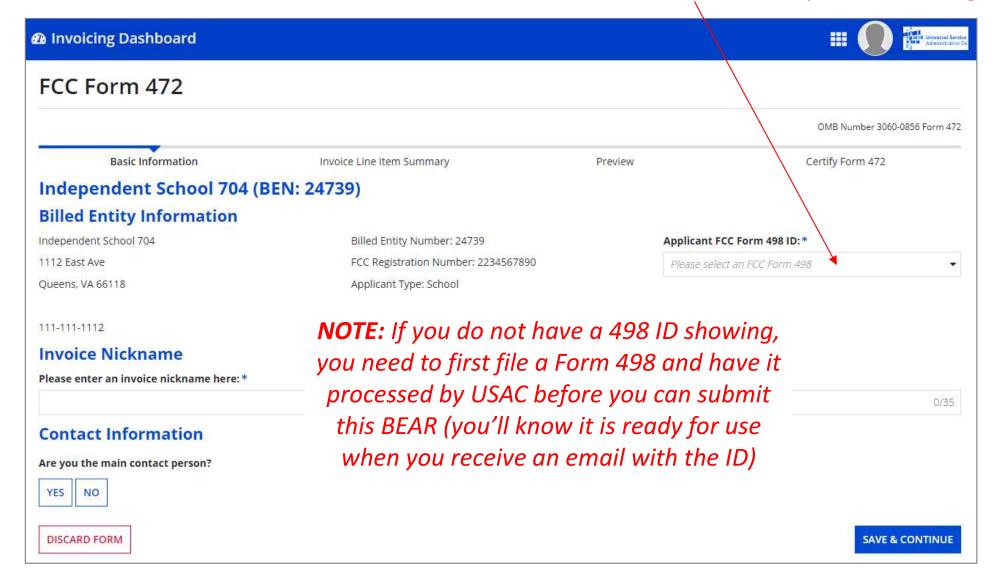

BEAR Section One: Basic Information

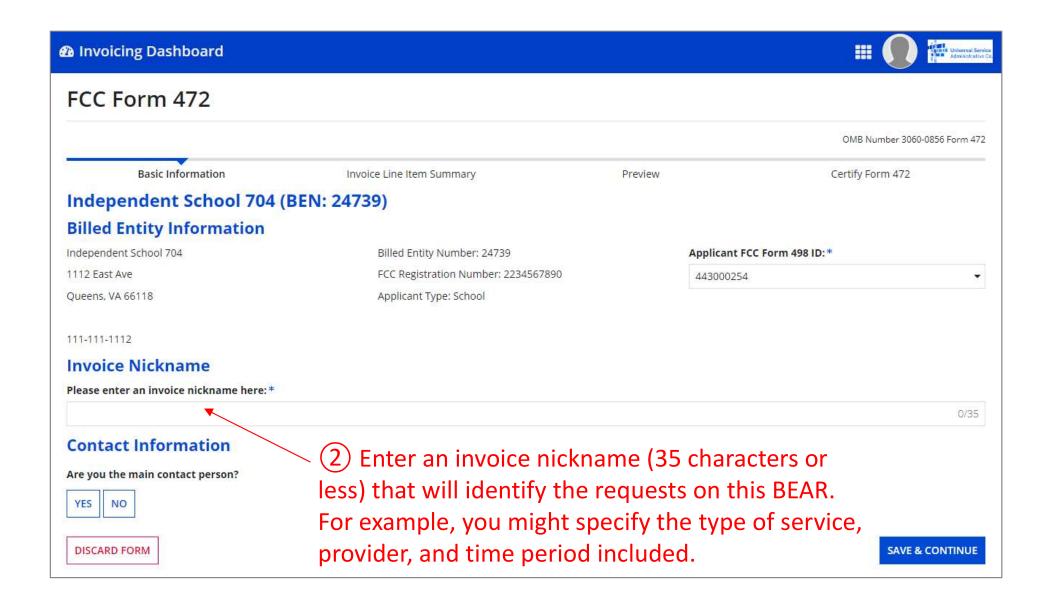

First, you will enter some general information.

① Select your 498 ID from the "Applicant FCC Form 498 ID" dropdown menu. If you have more than one 498 ID, be sure to select the correct one for the BEAR that you are creating.

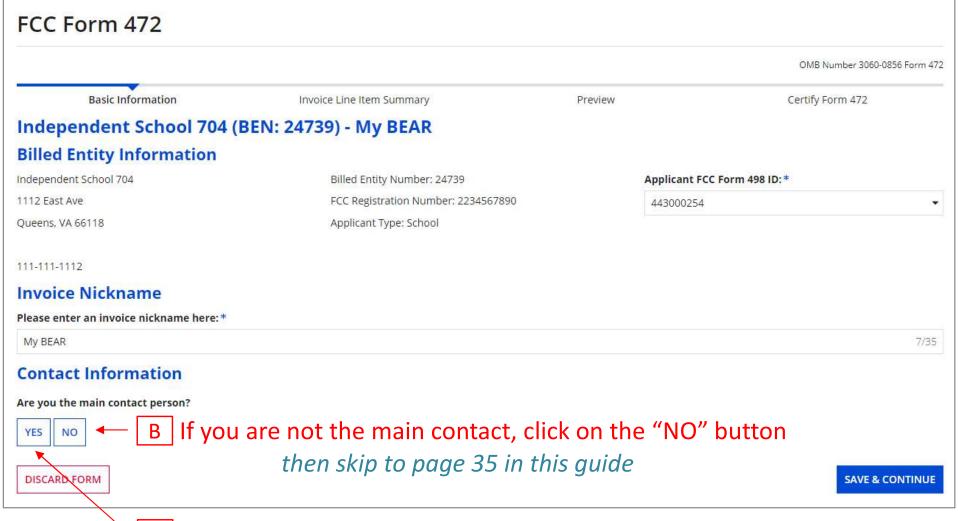

3 Select a contact person for this BEAR

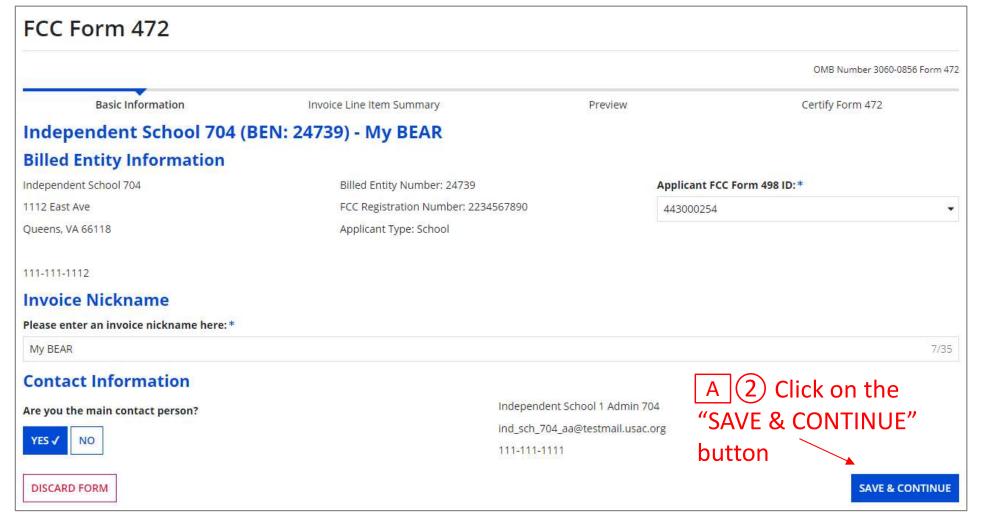

A If you are the main contact for this form, click on the "YES" button then go to the next page in this guide

If you are the main contact (you chose "YES")

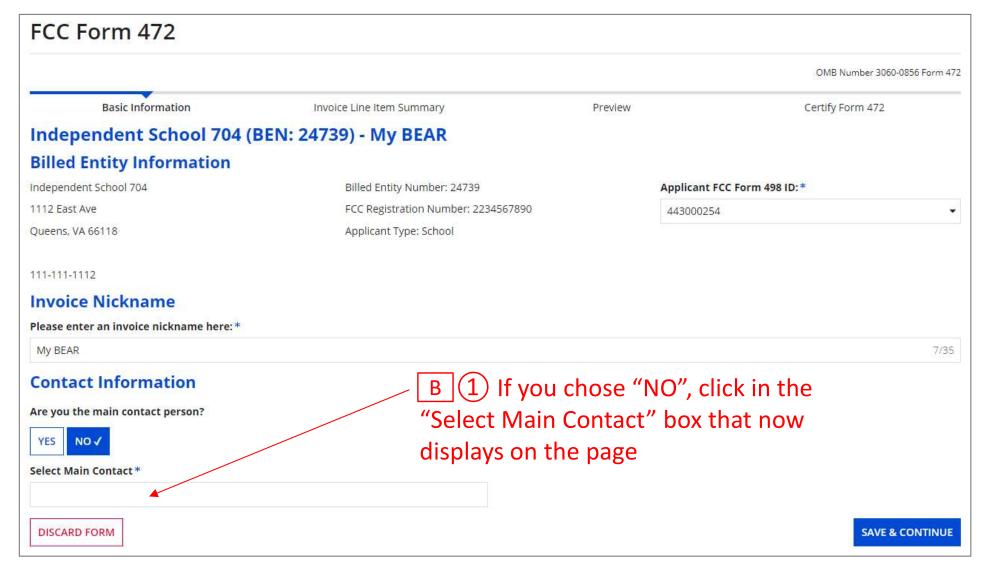

A 1 If you chose "YES", your contact info will automatically display

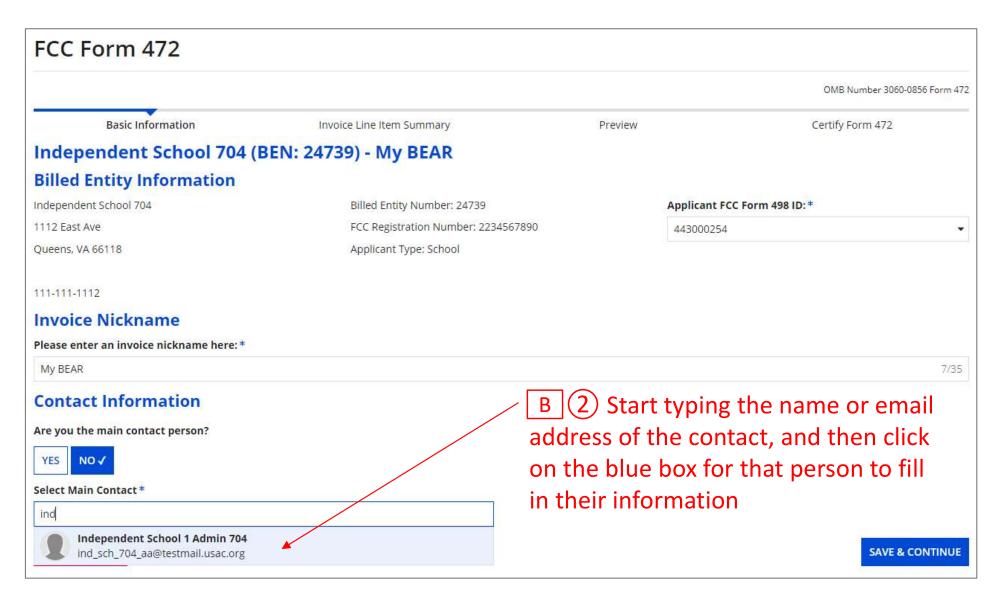

skip to page 38 in this guide

If you are not the main contact (you chose "NO")

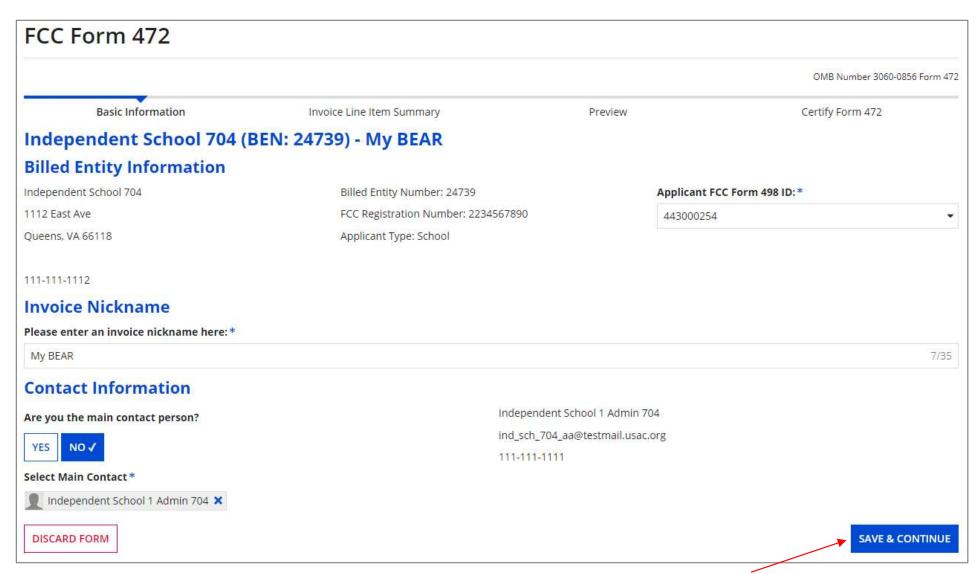

NOTE: Only those individuals who have been associated with your organization in EPC can be the contact person for the form

go to the next page in this guide

BEAR Section Two: Invoice Line Item Summary

Next, you will add lines for the reimbursements you are seeking.

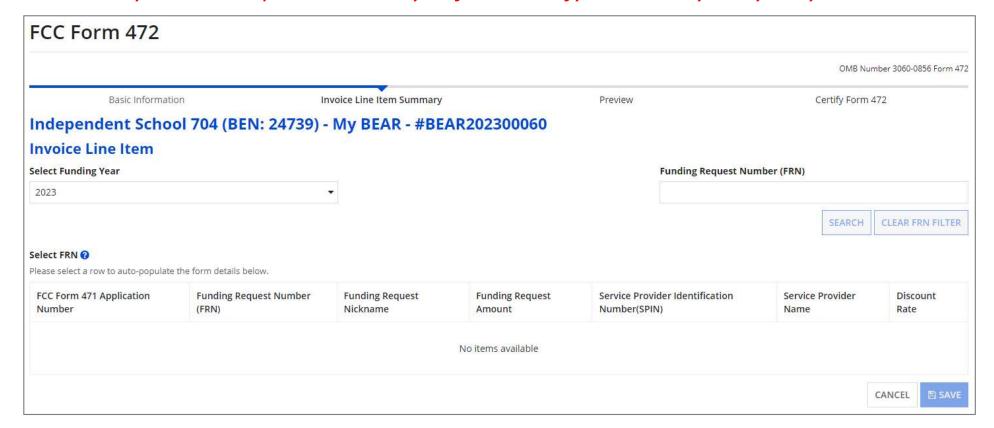

1 Click on the "ADD LINE ITEM" button to add your first line to this BEAR

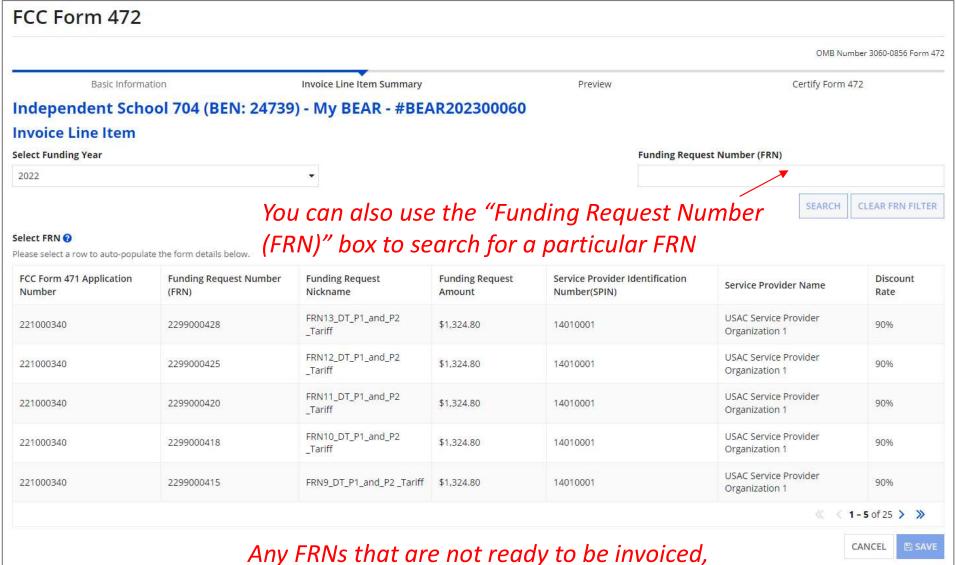

2 Select a Funding Year from the drop down menu if necessary

NOTE: a year will be pre-selected by default - verify this is truly the year you want

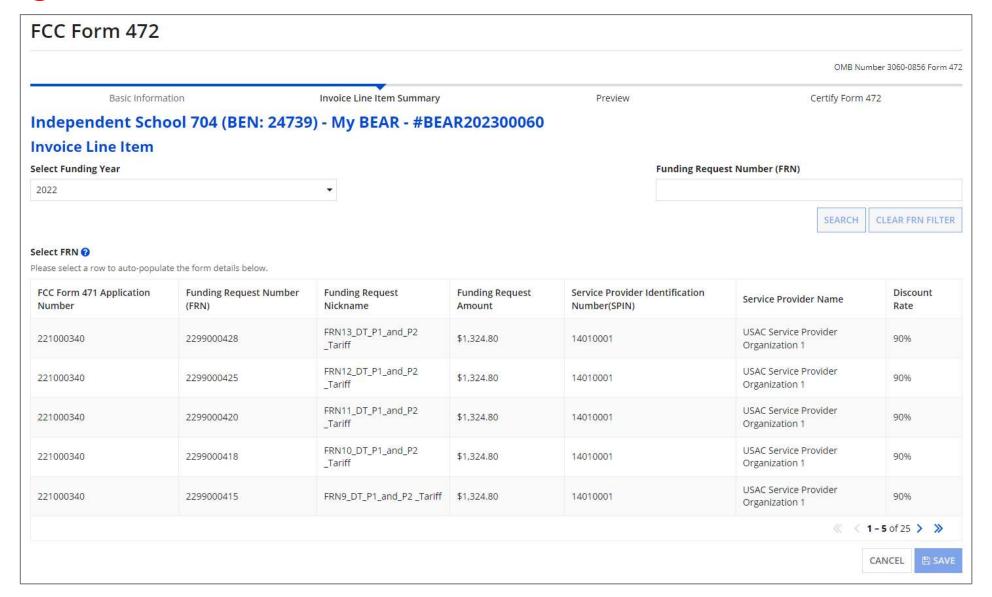

A table with FRNs from that funding year that are available for invoicing will display

that have been canceled, or for which the invoice deadline has passed will not be listed

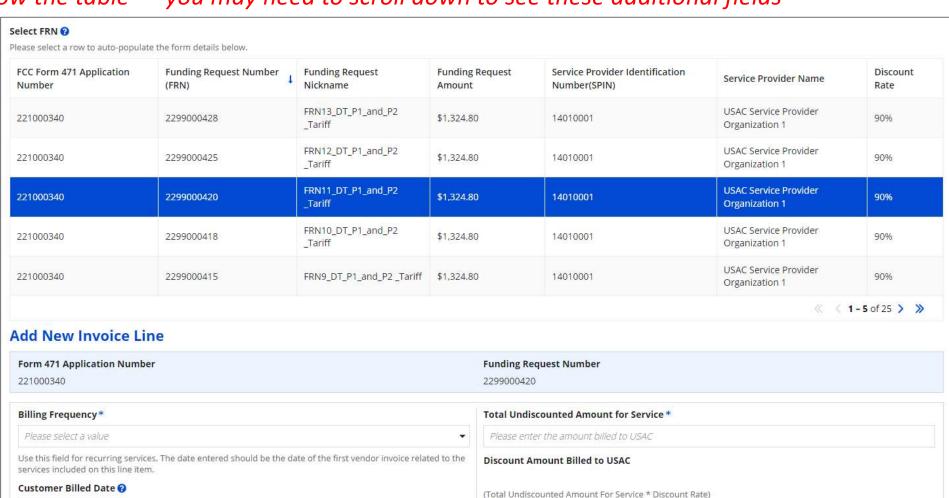

3 To include an FRN on the BEAR, click on its FRN row

Once you select an FRN row, it will be highlighted blue and an "Add New Invoice Line" section with additional information fields to complete will appear below the table --- you may need to scroll down to see these additional fields

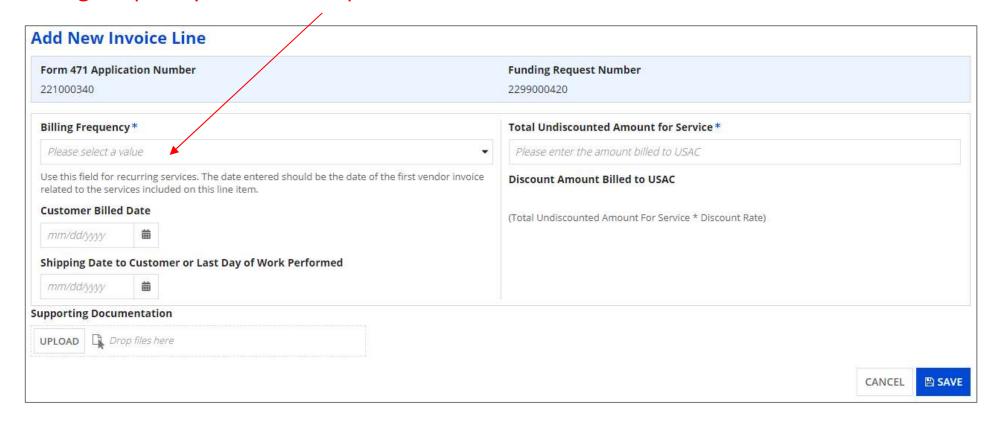

曲

Shipping Date to Customer or Last Day of Work Performed ?

mm/dd/yyyy

mm/dd/yyyy

4 In the "Add New Invoice Line" section, select a billing frequency from the drop down menu

Available Options:

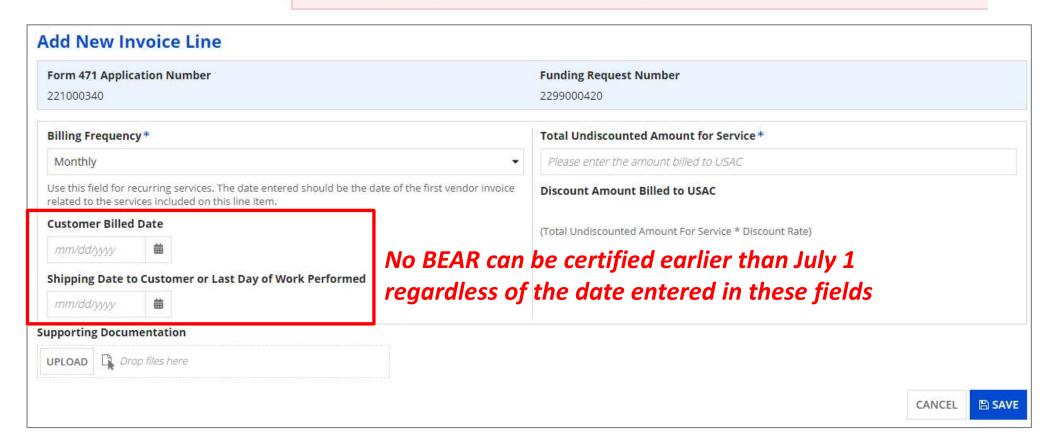

Annually, Monthly, On Delivery, One-Time, Other, Quarterly, Semi-Annually, Weekly, Every Two Weeks, Every Two Months

(5) Complete one of the date fields

DO NOT COMPLETE BOTH FIELDS! - you will get an error when you try to save the line

You must enter either a "Customer Billed Date" or a "Shipping Date to Customer or Last Day of Work Performed" date.

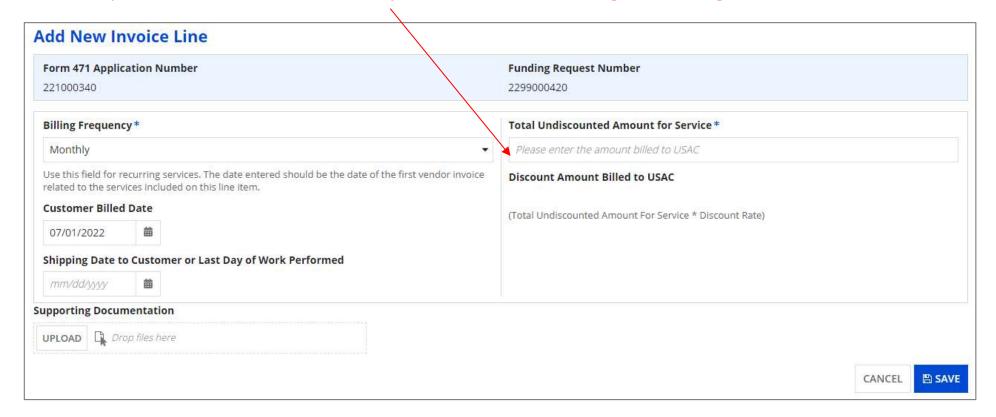

SEE THE NEXT SLIDE FOR IMPORTANT INFORMATION ABOUT THESE FIELDS >>>

	Recurring FRNs	Non-Recurring FRNs
Field to Use:	"Customer Billed Date"	"Shipping Date to Customer or Last Day of Work Performed"
Type of services:	Recurring services and multiple installments for non-recurring services	Non-recurring services billed one- time only
Earliest Allowed Date:	July 1	 Category 1 January 1 for advanced installation of non-recurring services July 1 for most C1 FRNs Category 2 April 1 for advanced installation of non-recurring services July 1 for most C2 FRNs
Latest Allowed Date:	Service Delivery Deadline (usually June 30)	Service Delivery Deadline (usually September 30)

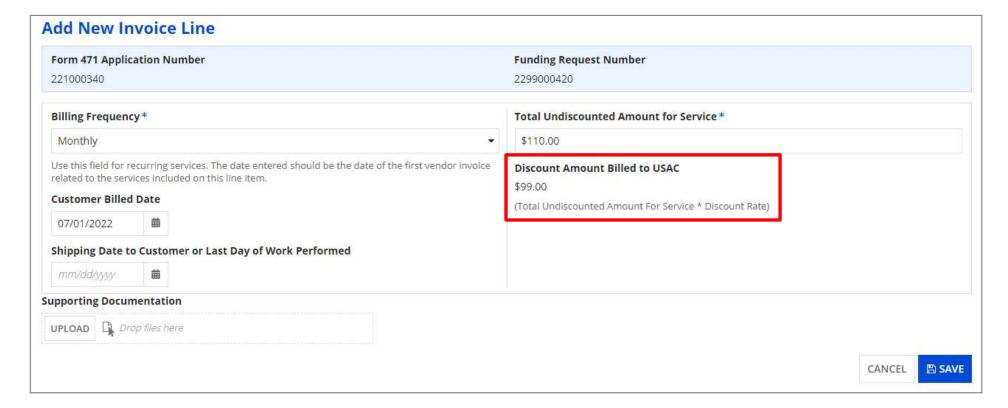

Being allowed to enter a date earlier than July 1 in the "Shipping Date" field is a new BEAR functionality. Review your service provider invoices and program rules carefully to ensure you are entering a valid date.

6 Enter the total <u>ACTUAL ELIGIBLE UNDISCOUNTED</u> amount you paid for the service provider bill (be sure that you **subtract all ineligible charges**)

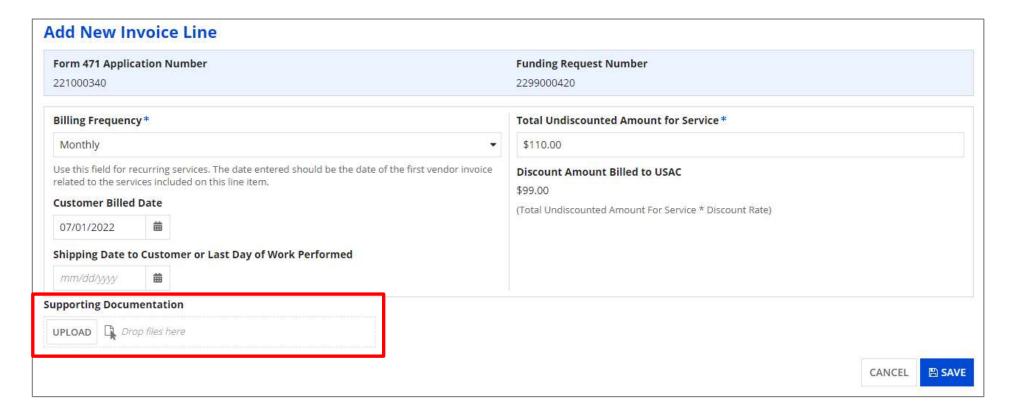

After the undiscounted amount has been entered, the system will automatically calculate the discounted reimbursement amount to which you are entitled

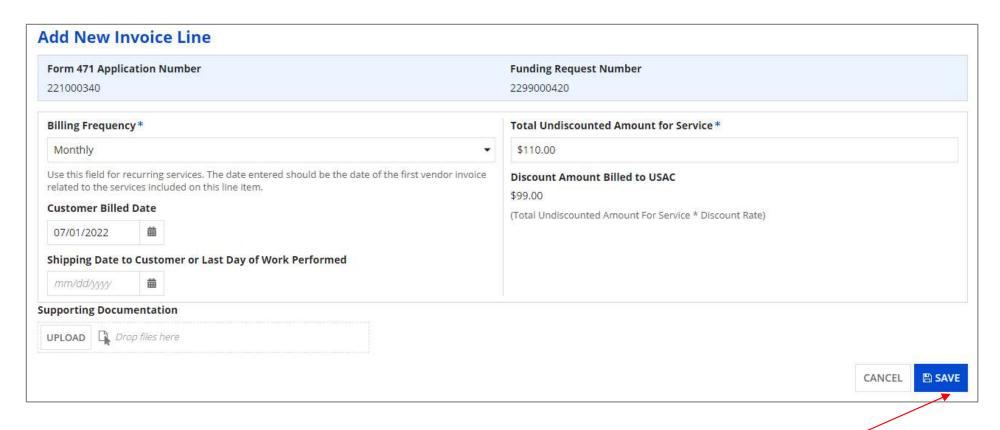

7 OPTIONAL: If you would like to upload supporting documentation with your BEAR, you may drag any appropriate files onto the "UPLOAD" button

This is not a required action, but you may want to do so if you know you are likely to receive outreach requesting supporting information for the type of service included in this line, for example basic maintenance of internal connections (BMIC)

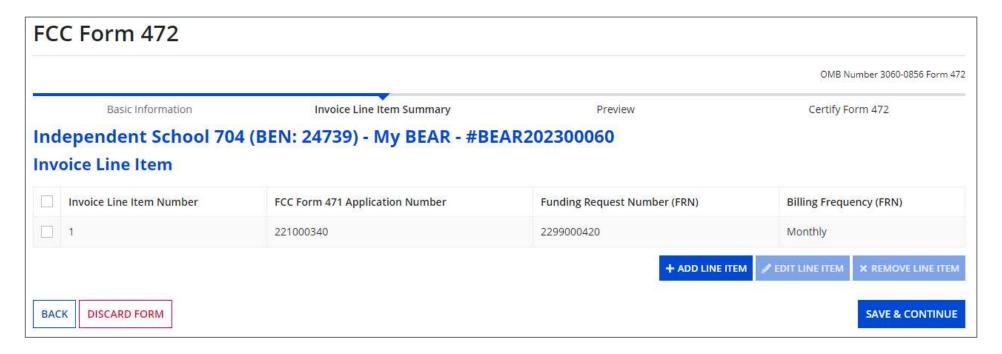

8 Click on the "SAVE" button

Each Line Item that has been created for this BEAR will display in a table

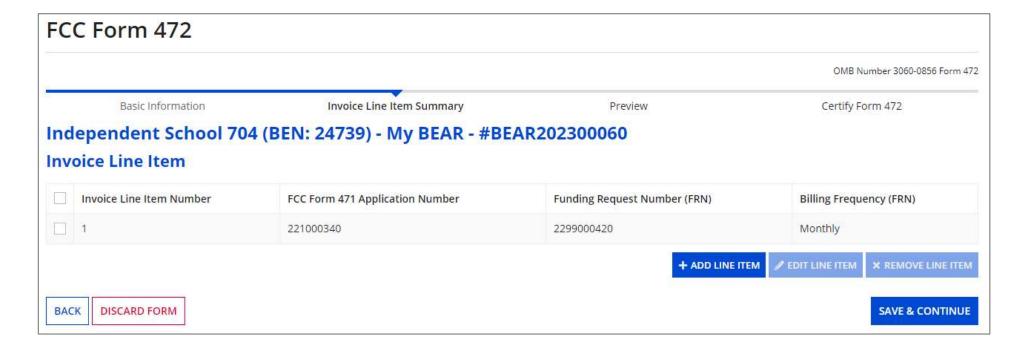

To create another Line Item for additional requests for this BEAR, click on the "ADD LINE ITEM" button and complete the fields as prompted

Example: If filing a BEAR for all bills paid in quarter 1, you would first complete a line item for July, then add and complete a line item for August, and finally add and complete a line item for September

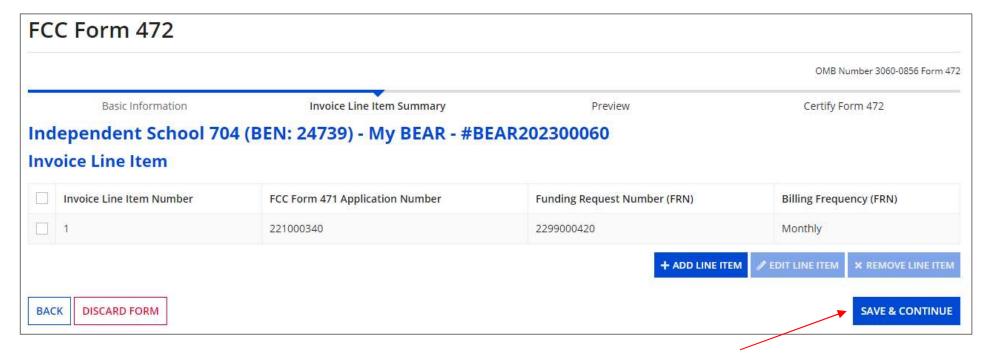

To edit an existing Line Item, click the check box for it and click on the "EDIT LINE ITEM" button To delete an existing Line Item, click the check box for it and click on the "REMOVE LINE ITEM" button

9 Click on the "SAVE & CONTINUE" button when your Line Items for this BEAR are complete

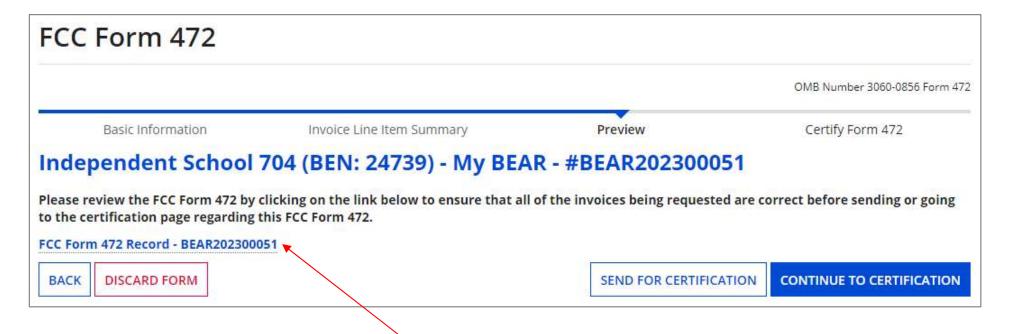

go to the next page in this guide

Before certifying the form, you will have the opportunity to review it in its entirety.

You should review your form carefully before proceeding to certification

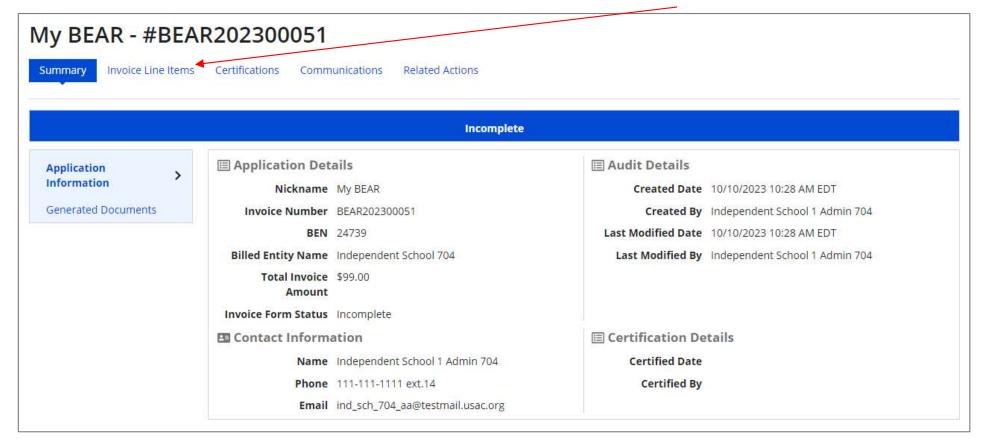

Click on the link for the BEAR record to preview a copy of the form

NOTE: The form will be displayed in either a new window or new tab depending on your browser settings

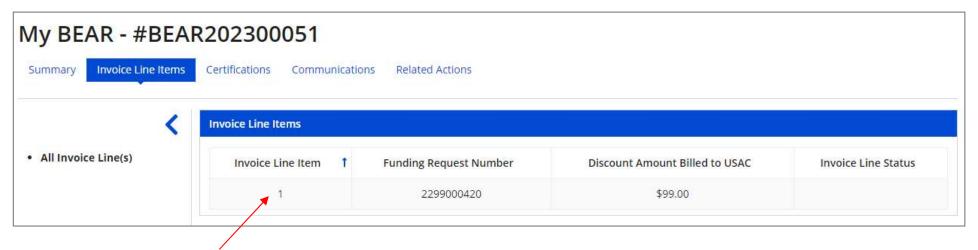

The form preview opens to a summary page

Click on the "Invoice Line Items" tab

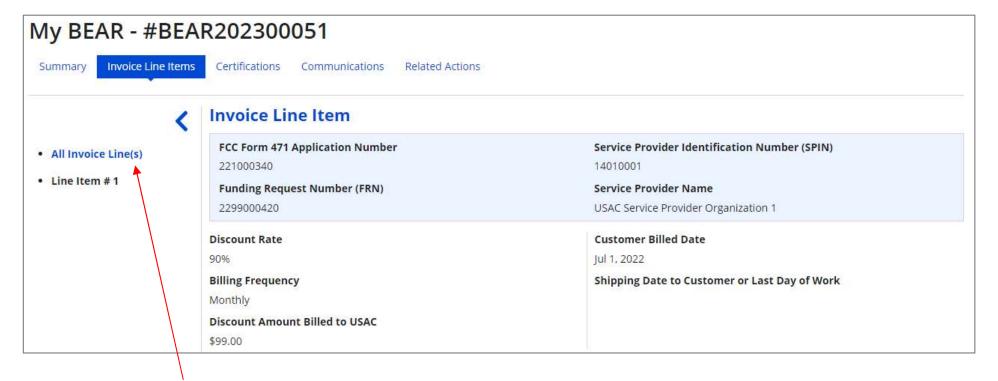

The "Invoice Line Items" tab displays a table with each invoice line

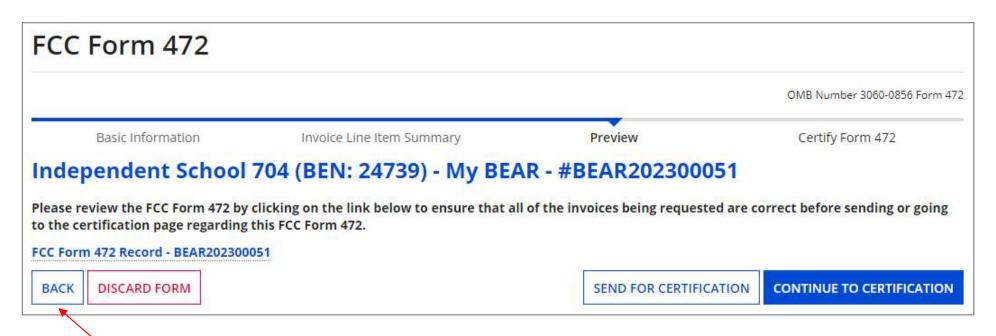

Click on a specific invoice line to show details about that line item

Click on the "All Invoice Line(s)" link in the sidebar menu to return to the full list of line items

If you discover any modifications to be made, return to the FCC Form 472 window and click on the "BACK" button to go through the form screens and make any necessary changes

Certifying the BEAR

Finally, a user in your organization will certify and submit the BEAR form.

Certifying the BEAR

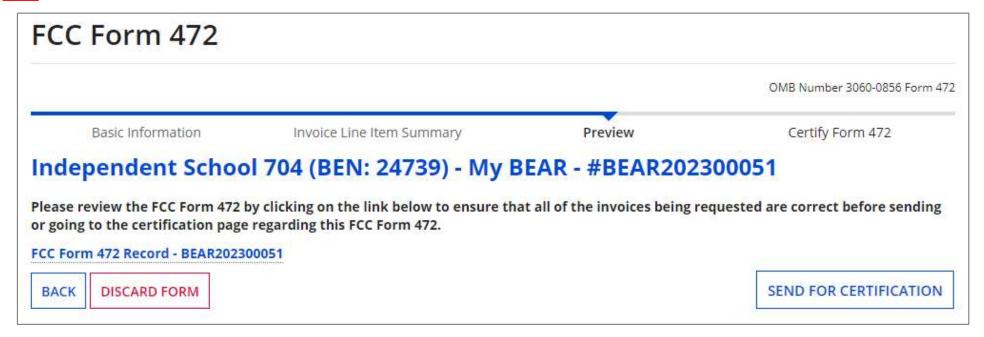

Certification of the form takes place in different manners depending on the rights assigned to users for your organization and who in your organization is responsible for certifying the form.

- A If you are a partial rights user \rightarrow go to the next page in this guide
- B If you are a full rights user but not the person who will certify the form \rightarrow skip to page 63
- C If you are a full rights user who is responsible for certifying the form \rightarrow skip to page 64
- D If you are a full rights user certifying a form sent to you by another user \rightarrow skip to page 68

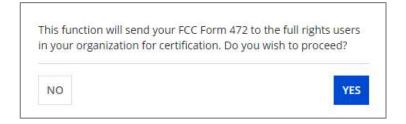

[Partial Rights]

A If you are a partial rights user:

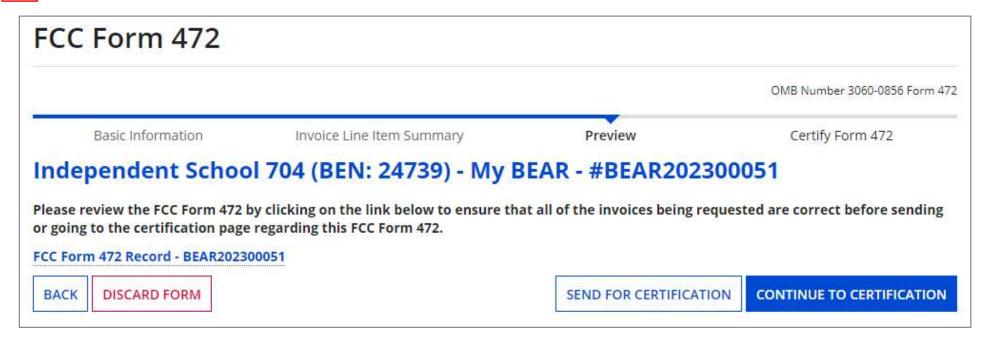

- A 1 Click on the "SEND FOR CERTIFICATION" button
- A 2 You will see a notice that your form will be sent to the full rights users in your organization
- A 3 Click on the "YES" button to proceed

[Full Rights / Not the Certifier]

B If you are a full rights user but not the person who will certify the form:

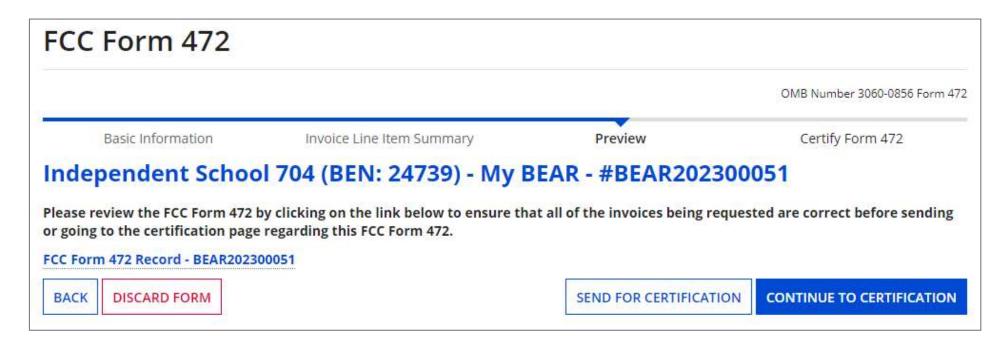

- B 1 Click on the "SEND FOR CERTIFICATION" button
- B 2 You will see a notice that your form will be sent to the full rights users in your organization
- B 3 Click "YES" to send the form

C If you are a full rights user who is responsible for certifying the form:

C 1 Click on the "CONTINUE TO CERTIFICATION" button to proceed

- C 2 Read the certification text carefully
- C 3 Check the check box for each certification statement
- C 4 Click the "CERTIFY & SUBMIT" button

A Full Rights user needs to certify an invoice

Notifications will be sent to full rights users by email if there is an uncertified BEAR that needs to be certified.

Notifications will also appear in the EPC E-Rate Invoicing Dashboard on the "My Pending Tasks" tab.

An invoice line has an inquiry from USAC that requires a response

Notifications will be sent both by email and in the EPC E-Rate Invoicing Dashboard on the "My Pending Inquiries" tab if there are review inquiries to be answered.

Both full and partial rights users will receive the inquiry, but only full rights users can respond.

View only users will be able to see these notifications on the "Communications" tab of the EPC E-Rate Invoicing Dashboard but will not receive a specific notification themselves.

The specific information and documentation required during review of BEARs will not change. You will log into EPC and go to the EPC E-Rate Invoicing Dashboard to submit replies to any outreach and provide any necessary documentation.

Applicants still have seven days to respond to invoicing inquiries.

You may request an extension of time, if needed. A notice will be sent if additional time has been granted to respond to an inquiry.

Invoice Status

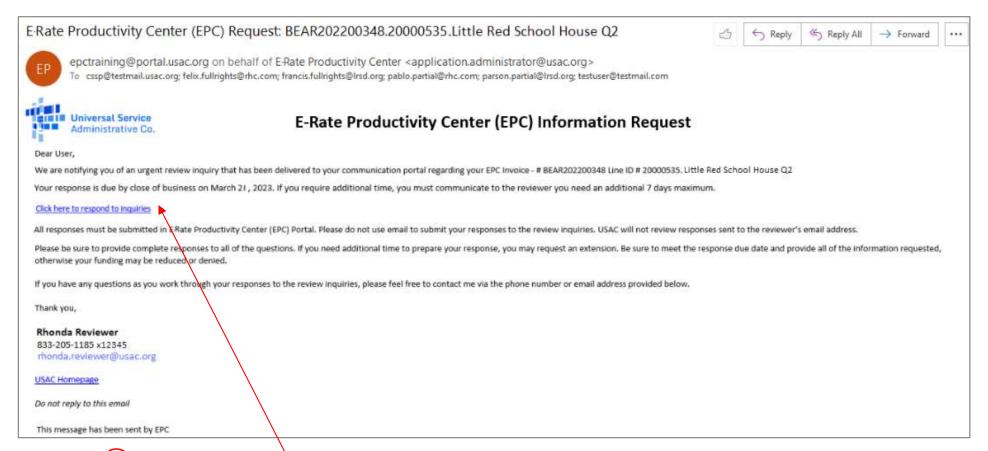

Notifications about invoice submission statuses (for example that an invoice has been processed) will be delivered to users who have been assigned full and partial rights for BEARs:

- Via email
- In the EPC News Feed
- Via a Task in the EPC E-Rate Invoicing Dashboard

View only users will be able to see these notifications as a News Post in EPC but will not receive a specific notification themselves.

If there is an inquiry on a particular invoice line item, an email will be sent to full and partial rights users:

Click on a "Contact Reviewer" link to go the "Contact Reviewer" page, view communications, and respond

Outreach Reminders:

- Ensure invoicing permissions in EPC are up to date
- Only Full Rights users can respond, and have 7 days to respond
- Full Rights users can request a one-time 7-day extension
- ✓ If USAC does not receive a reply by the deadline, the invoice line will be denied

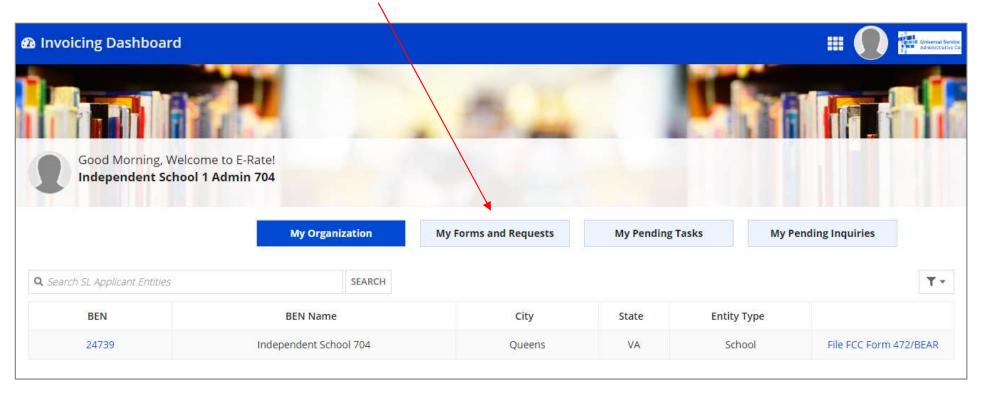

- Respond to each inquiry in the method it was received
- Read the communication carefully and download any attachments
- Response to outreach should be complete, accurate, and timely
- Applicants and service providers can receive or be copied on communication

Understanding Invoice Statuses

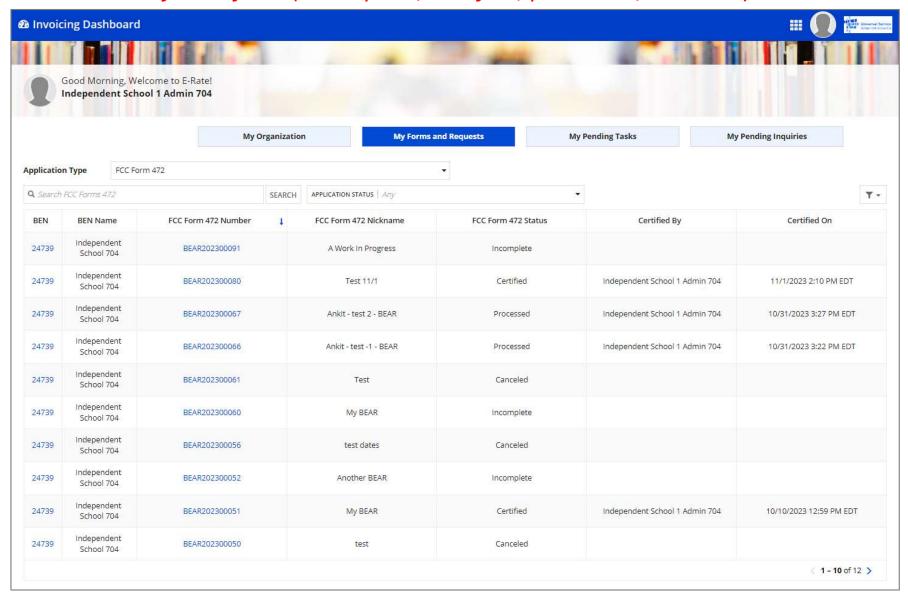

Click on the "My Forms and Requests" button to display a list of forms

If you are not on a page that displays the navigation buttons, first return to the Invoicing Dashboard summary page by clicking on the "Invoicing Dashboard" link in the blue bar, then click on the button

The "My Forms and Requests" tab displays a list of all previously created BEARs as well as the status of each form (incomplete, certified, processed, canceled)

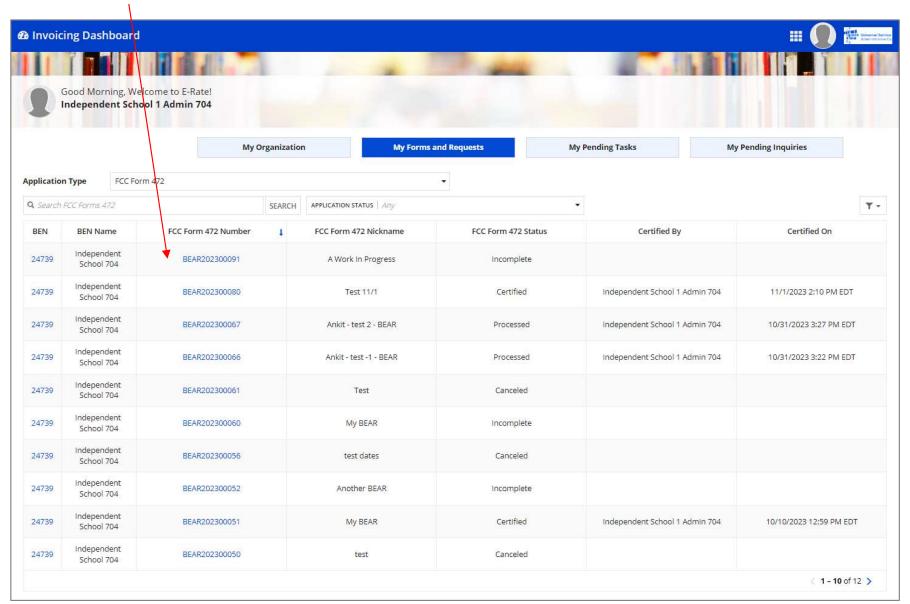

Invoice Status Overview Incomplete An Invoice has been created but not certified The invoice has been submitted and certified and one or more invoice lines Certified have yet to be processed by USAC All lines of the invoice have been processed and paid **Processed** (paid in full, modified, or denied) The invoice has been discarded before submission OR has been Canceled canceled after it was submitted and certified

Click on any form link in the "FCC Form 472 Number" column to display that form's summary information

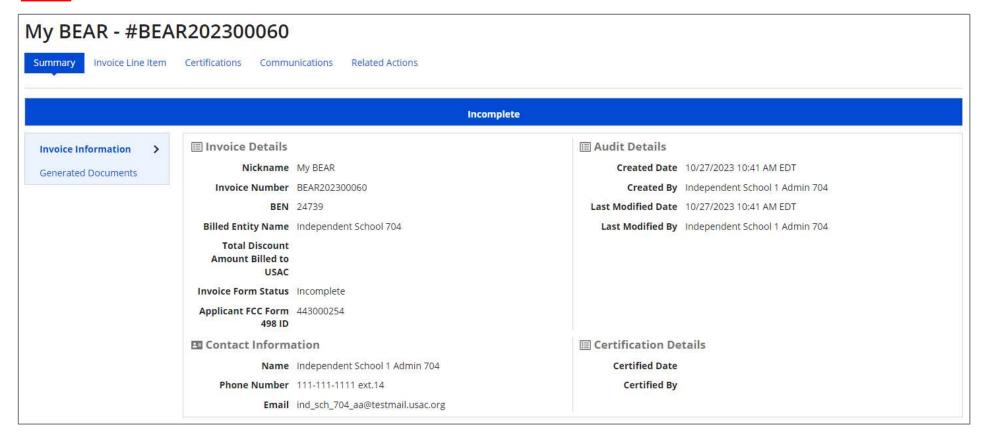

Each BEAR will go through several statuses before being fully finalized

Requesting an Invoice Deadline Extension

If you know that you will not be able to file the BEAR Form by the invoice deadline, you can submit an invoice deadline extension request by that deadline to receive a one-time, 120 day extension.

When are BEARs due?

BEARs must be certified no later than 120 days after the last day services are received or 120 days after the date of the FCC Form 486 Notification Letter, whichever is later.

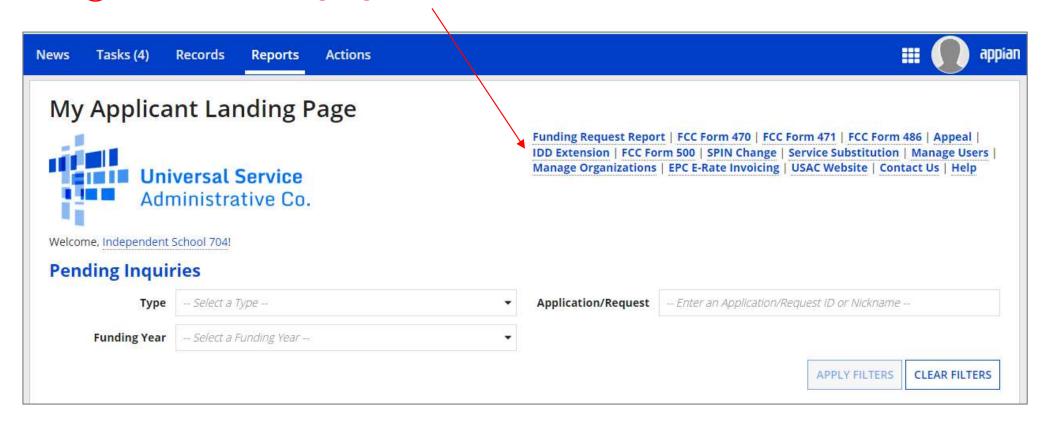

What if I need an extension?

USAC will automatically grant upon request a single, one-time, 120 day extension to an applicant's BEAR invoice deadline. However, the extension must be requested on or before the original BEAR filing deadline of October 28.

Each FRN for which you need an extension must be specifically requested - a request granted for one FRN on a Form 471 will not extend to other FRNs on that Form 471

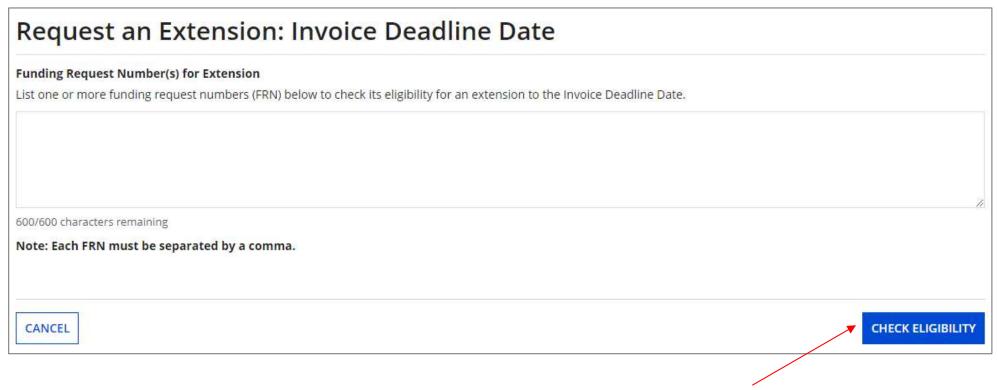

1 On the EPC Landing Page, click on the "IDD Extension" link

2 Enter each FRN in text format, separated by a comma (the system will ignore spaces)

NOTE: Multiple FRNs from different forms and/or different funding years may be listed on the same request

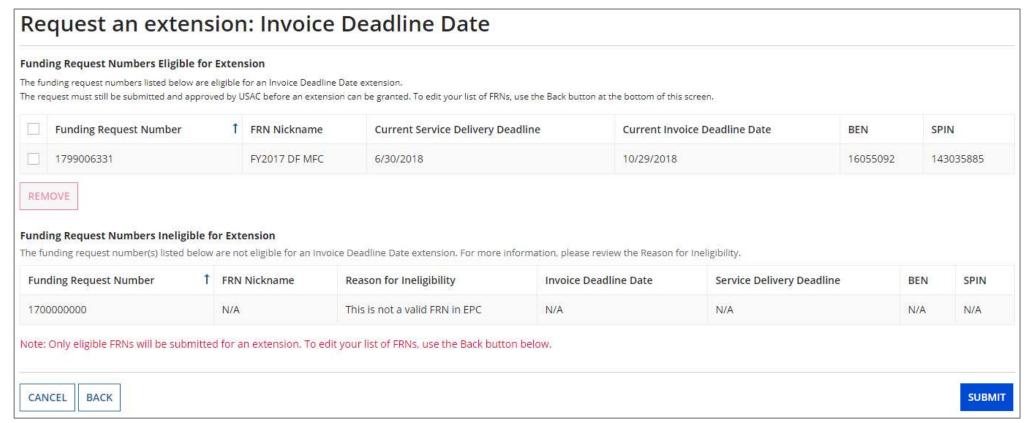

3 Then click on the "CHECK ELIGIBILITY" button

A grid of the FRNs you have entered will appear, split into two tables.

The first table includes the FRNs that are eligible for an extension. If there are any FRNs on this table you want to remove, check the box to the left of the FRN and then click on the "Remove" button.

The second table will include the FRNs for which you cannot submit an extension request together with the reason for each (for example, the FRN does not exist in EPC or the FRN does not belong to your organization).

4 Look through the list to verify the FRNs

5 Click on the "SUBMIT" button

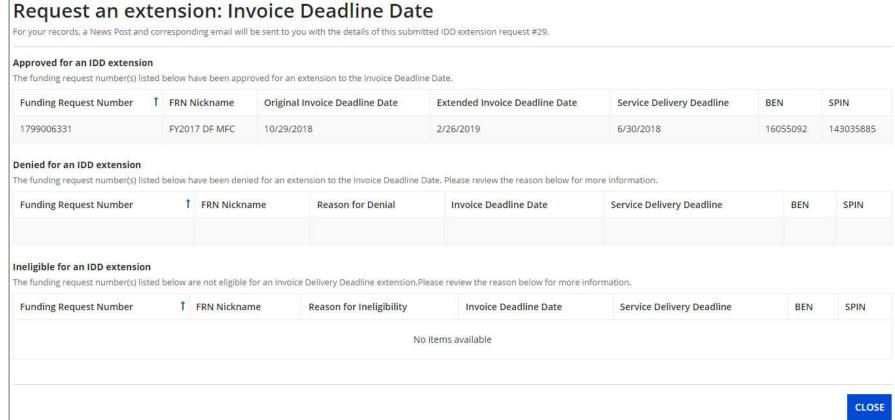

The system will return the eligible FRNs in two tables.

The first table includes FRNs with approved extensions. The extended invoice deadline date will appear after the original invoice deadline date.

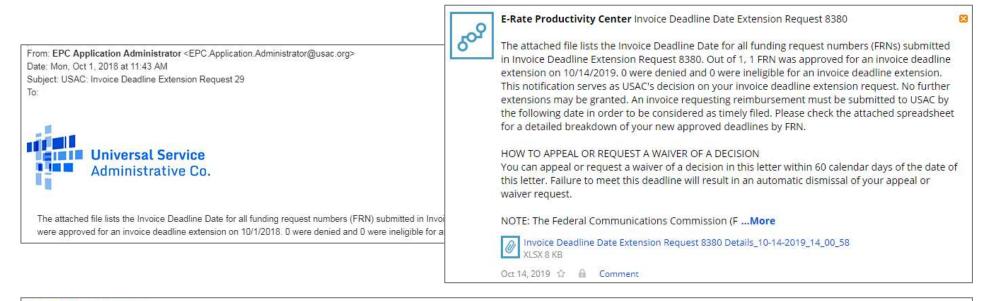

The second table includes FRNs that have not been approved for extensions, together with the reason for the denial (for example, an extension has already been granted for that FRN or if there are no undisbursed funds left on that FRN.

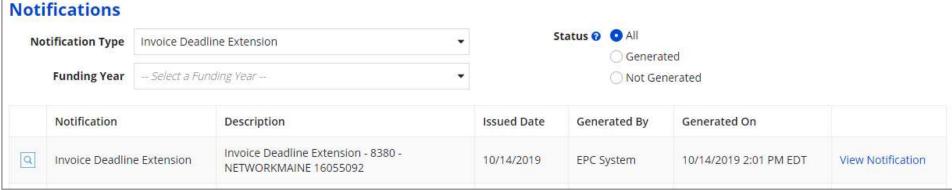

Note that the table of FRNs originally marked as ineligible is repeated below the first two tables for reference.

The requestor will receive an email containing the extension request information, and a **News** post will be created for both the BEN(s) and the SPIN(s) associated with the FRNs on the list.

Additionally, within the **Notifications** section of the Landing Page for each BEN and SPIN a notification of the decision for each FRN will be listed.
